

Say: o you Immense

Say: o you Immense, You are the Immense - We are worried by an immense matter,
All matters that worry us - Become easy by Your Name, o Immense.

[O our Lord, by (Sura) Fatiha - And by the people of righteousness
Make tasks successful - For us and all Muslims!

O our Lord, by (Sura) Baqara - And by the people of the ten (qira'at)
Make tasks easy - For us and all Muslims!]

You are the Eternal, from pre-Eternity – You are the All-Aware, Who will never cease to exist
Remove from us what will descend – Of burdens of the momentous Event!

[You] Living, Eternal, Existing – Everlasting, Self-sufficient, Majestic,
Just, One God – Benevolent, Tenderly-loving towards the servants!

To the Prophet convey, o Lord of Peace - Blessings and (greetings of) peace from us,
And on the Day of retribution give us peace and safety - From what we fear, o Majesty!

And to the Family and Companions, the Masters – be black and white under their ruie –
And In particular to the one who wiped out the enviers – the sword of God, (Khalid) Ibn al-
Walid.
