

الحقُّ حقُّ

الشيخ محمد أبو الهدى اليعقوبي - تركيا ١٤٣٨
البحر: اللاحق

The Truth is True

By shaykh Muhammad al-Yaqoubi, Turkey 1438

English translation by the Author

1 الْحَقُّ حَقٌّ لِمَنْ رَأَاهُ * كَالشَّمْسِ مَا ثَمَّةَ اشْتَبَاهُهُ
أَهْلُ الْمَعَانِي بِمَعْنَاهُ تَاهُوا * لَمَّا فَنُوا فِيهِ عَنْ سِوَاهُ

The Truth is true for all who saw Him
Like the sun, there is no doubt about it
People of perception, have been bewildered by His Meaning
When they were annihilated in Him from all others

2 مَا دَلَّ عِلْمٌ عَلَيْهِ كَلًّا * وَلَا دَلِيلٌ إِلَيْهِ أُذْلَى
يَا طَالِبًا لِلْعُلُومِ مَهَلًا * أَبْدِلْ بِعِلْمِ الْحُرُوفِ جَهْلًا

Knowledge did not lead to Him
No any evidence does prove Him
O seeker of knowledge, wait!
Replace your knowledge of the letters with ignorance

3 وَقِفْ عَلَىٰ بَابِهِ فَفَقِيرًا * وَفِي الْهَوَىٰ قَعٌ لَهُ أُسِيرًا
وَعِشْ بِمَا اخْتَارَهُ قَرِيرًا * تَكُنْ بِرِضْوَانِهِ جَدِيرًا

Stand at His door in a state impoverishment
Fall as captive in love for Him
And live in a state of happiness with what He choses
Then you will win His Pleasure

4 شَاهِدُهُ يَا صَاحِبِ فِي كُلِّ مَعْنَى * تَجِدُهُ {عِنْدِي} و{إِنِّي} و{مَعَنَا}
وَارْحَلْ إِلَيْهِ فِي كُلِّ مَعْنَى * وَاَدْخُلْ حِمَاهُ بِالذُّلِّ تَغْنَى

Look for Him in every meaning
You will find Him {with Me} and at {I am} and {With us}
Travel to Him in every Garden
And enter His Sanctuary with humility to become rich.
